NCR 旅游有限公司

## **NCR TRAVEL & TOURS SDN. BHD.**

### **ABOUT US**

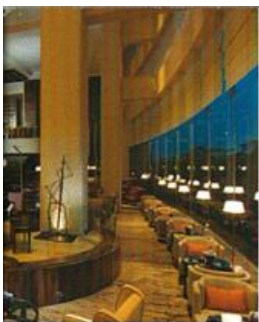

A culture of excellence guides every aspect of our business. We're dedicated to providing you with the best prices, impartial advice and the widest variety of holidays, combined with top-notch customer service.

### **SINCE 2011**

We have been helping people to plan their perfect trips. Originally an in-house establishment of UCSI Group responsible for organising students and staff tours, we open our doors to the public after receiving the license to organise inbound tours from the Ministry of Tourism.

### **TODAY**

We offer packages ranging from ecotourism to island travel packages, conferences and conventions to family holiday tours. We are proud members of the Malaysian Association of Tour and Travel Agents (MATTA) and Malaysian Inbound Tourism Association (MITA). We also work closely with Tourism Malaysia and a strong advocate for Malaysia Centre for Tourism and Hospitality Education's (MyCenThe) vision.
